Figure 2.6: Edit Registered Device Page

You may change existing Device label name and Type to Permanent or Temporary at this page. Please note that you will not be able to change a permanent device to temporary device if it is the only Permanent device in your list.

3.2 Revoke Device Registration Code

Registered Device(s)

	Device Label	Type	Registration Date	Device Expiry Date	Last Login Date
<input type="radio"/>	Default	Hardware	09/06/2006 09:04:12	No Expiry	12/06/2006 12:11:24
<input type="radio"/>	Desmond	Cookie	12/06/2006 12:15:29	No Expiry	12/06/2006 12:15:29

Note:
 1. Your last remaining device with no expiry date cannot be revoked.
 2. Device Expiry Date - Date and time device expires.

Device Registration Code

	Device Label	Request Date	Reg. Code Expiry	Device Expiry Date	Status
*** No record found ***					

- Create a new registration code for registration of new device.
